

Engagement Planning Team

Purpose: To create coherence at the system level out of engagement "decentralization".

Outcome: Propose at least three models for organizing engagements related activities, units, and outcomes for review by Faculty Senate, Staff Senate and Administration.

Team Member Roles:

Attend the meetings
Participate in the discussion
Review *Carnegie Application*
Share information about his or her own experience with engagement
Supplement Carnegie data with data from her or his unit
Review existing engagement models from other campuses
Develop proposed models for engagement at ECU and identify strengths and weaknesses for each
Review proposed definitions for engagement terms.

Coordinator's Roles:

Call and facilitate meetings
Develop agendas
Record and circulate minutes
Gather information from other campuses
Post information on Sharepoint and Carnegie website
Develop and circulate draft of report for Team's editing
Circulate final report

Meetings:

Oct 7 and three more to be scheduled at Oct 7 meeting
Final report due December 1, 2008 to Dr. Sheer for dissemination
Greenville Center or Willis Building

Communication Methods:

ECU Carnegie web site <http://www.ecu.edu/cs-acad/rqs/Carnegie.cfm>
ECU Carnegie Sharepoint site <https://collab.ecu.edu/sites/carnegie/default.aspx>
(Dana will give team access)
Email: Minutes, agendas, notices of meetings

Organization

By invitation from Dr. Sheerer
