

**Project Classification Form
For the UNC Office of the President**

OSP #: _____

Principal Investigator: _____

Proposal Title:

Please classify your project using the appropriate numbers from the **CHES** and **CIP** lists in the Proposal Preparation Packet (green packet). The **CHES** classification describes the general activity that the proposal is to perform, e.g., instruction, research, public service, etc. The **CIP** classification describes the discipline of the proposal, e.g., chemistry, art history, etc. Please use two digit **CHES** numbers and six digits **CIP** numbers.

CHES Category Number (enter a **TWO** digit number) - Primary __ __
Secondary __ __ (optional)

CIP Classification Number (enter a **SIX** digit number) - Primary _____
Secondary _____ (optional)

Linkages to North Carolina:

Does this proposal involve formal linkages, partnerships, and/or funding from any of the following? If so, please check all that apply:

- NC business or industry (as well as NC-based operations of national or multi-national corporations)
 NC educational institutions (public or private: K-12, community colleges, colleges, or universities)
 Units of state or local government within NC
 Other non-profit agencies in NC (as well as NC affiliates of national or international agencies)

Benefits to North Carolina:

All sponsored programs provide benefits in the sense of institutional support, employment, training of students, and the economic-multiplier effect (i.e., university, employee, student, and visitor spending). However, this question addresses projects that emphasize benefits to North Carolina citizens beyond the immediate university community. In particular, will this project (please check all that apply):

- Provide benefits to economic development in NC?
 Provide benefits for community services?
 Provide benefits for the general education, health, and welfare of NC citizens?
 Involve a specific geographic region of NC as a focus of activity?
 Other? Specify: _____

Collaboration:

Please check all of the following types of collaboration this proposal might involve:

- Multi-disciplinary
 Multi-departmental within the constituent institution
 Multi-UNC constituent institutions
 Other multi-university
 Multi-institutional with external groups in the public or private sectors
 International

Geographic Information:

Will this project take place in Greenville, NC? Yes No

If Not, where will the project take place?

City _____ County _____ State _____ Country _____
